Dear Ken,

AUSTRALIAN COMMERCIAL NEWS

I thought you would like to know the Australian Commercial News you have put together for Burgess Rawson is off to a good start.

The front page headline of "Woolworths sells above expectations, 3 supermarkets sold in one day" has borne fruit.

Coles property executives saw the article and as a result, as indicated by them, they have appointed Burgess Rawson to sell 3 supermarkets and 1 liquor outlet.

We have received favourable comments from a range of investors about our new publication.

Thank you for your help in achieving the prestigious Coles assignment.

Yours faithfully

BURGESS RAWSON & ASSOCIATES PTY LTD
